### **I desire you**

For the praises of My people, the praises of My people continually raises before Me. And I desire your worship. I desire your devotion. I desire your emotion. I desire you, because I want to show you my might and my strength. I want to show you my love and my glory. I want to show you my compassion and my beauty. And for your eyes to see and your ears can hear you need to come and you need to draw near. Because in My presence there is literally all you need. So let your praise and your worship continually rise before Me.

And I will take you by your hand and lead you into places in Me that you didn't know about and that you didn't see. But be assure there is always more in Me. Be assure there is always more in Me. So your worship is so precious and your worship is Me dear. Give Me your love so that I can show you who I am.

And in the days to come the praise and the worship of My name will be heard and will be seen. And it will be a sound coming out from the inner man from My people in this place and in this land.
