

Yield to the holy spirit

There is always equipping, there is always help. There is always strengthening through the holy spirit, if you decide to yield to him. There is never a lack of power. There is never a lack of wisdom. There is sometimes a lack of yielding. So the more you learn how to yield to the holy spirit and not listening to the voice of your flesh or the voice of circumstances, the more you will enjoy the strengthening of the holy spirit. Just as you have seen tonight, if you yield to him, if you open, if you focus, then there is always equipping. There is always strengthening, there is always rejoicing, haha, because the joy of the lord is your strength.

The holy spirit never intends you to walk in any place without joy, because if you walk without joy, you are already defeated. Because without joy you are without strength. And it is not a joy that comes from your mind. It is a joy that comes from your spirit. Because the spirit is seated in heavenly places, you see. Your spirit is seated in heavenly places. And it is god's desire, that you live from the place where you're really at, at the right side of the throne of god. The throne of grace, where you receive help in the time of need. So learn to live from the place where you're really at, your position in Christ. Establish your position, establish your position, by meditating the truth and look into the mirror of the word of god.

Discover who you really are and you will know and you will have the confidence and the insurance, that the real you, the real you is who you are in Christ. See the false you, the voice of your flesh, the voice of your soul you never feel comfortable with. But if you are able to yield to the holy spirit in the new creation, haha, you know that's really who you are. So allow the holy spirit to do this work in you. Because it is not only his desire to strengthen you, but it is his desire to strengthen you in Christ. Because you are able to do all things through Christ, haha, who strengthens you. So the place where you find the strength is always in him. And he is never far. He is never far. He is not able to leave you, he is not able to forsake you. He is always close, hahaha, because he lives at the inside of you.

So the voice of your flesh, the voice of the flesh, cannot be overcome with the flesh, cannot be overcome by your mind. It can only be overcome by the spirit, the holy spirit in your spirit and the truth. So yield to the truth. The truth is you are already delivered. I said the truth is you are already delivered. The truth is that you are more than a conqueror. You are more than a conqueror. And if you yield to the truth, the holy spirit gives witness to your spirit, that you are a son and a daughter of god. And therefore we say, "Abba dear father, Abba father. We have come home. We are home in your presence. We are home in your family." It's not a meeting, it's not an organization, it's not a public function. Hahaha. It is a family, it's the father and the family. Hallelujah. Father god, when the

apostle Paul prayed, he prayed to the father, he prayed to the father. He prayed to the father. It is your father, the giver of all good things. And he is giving you a full inheritance of absolute freedom, of absolute freedom, hahaha, in the new creation. You are not a second rate person, not a second-class person. You are a firstgrade son and daughter of god.

So again you can be as strong as you want to. You can be strengthened as much as you want to. Be strong in the Lord! Be strong in the Lord! Be strong in the Lord and in the power of his might! For the joy of the Lord is your strength. Learn to yield to the joy. You say what joy. The joy of salvation. Don't be glad, that devils obey you. Don't be glad, that the sick get healed. But be ye glad, haha, that your name is written in heaven. Your name is written in heaven way above all things. Above all principalities and powers. Your name in the book of live, gives you eternal live and gives you an inheritance. Therefore rejoice, rejoice, rejoice and be strong in the lord. See the days ahead, as much as you need to learn to yield to the holy spirit, you need to learn to yield to the joy. Because without strength, without joy, the enemy is just gonne overtake you. Because darkness gets darker, but the lights gonne shine more bright. Our light is gonne shine more bright. How is that light gonne shine? It's gonne shine through you, by you yielding to the holy ghost. So these are the days of the holy ghost. So let's rejoice. Let's rejoice. Rejoice always. Rejoice always.
