You are not too late

You are not too late. You're not too late. If you have an ear to hear; you are not too late. You think you are too late, but you're not. You're not too late. You're not too late. You are not too late, in Jesus' name. You are not too late in the school of the spirit. Haha. If you have an ear to hear and you hear now, you are not too late. You do not have the permission to look backwards. Why would you do that? Why would you do that? You don't have the permission to look back. Yesterday's voice means nothing. Your voice today means everything. It is what you say and what you determine to do.

Therefore you are not too late. Hallelujah, in the schooling of the holy spirit, you can grow very fast, if you give yourself to the lord.
