### **Secure in Your Savior**

Whatever happens, you need to know, that the Lord is with you and that His word is always the truth. So therefore you will increase in the things of God. You will increase in your walk with the Lord. You will increase in your spiritual perception. You will see things and you will understand things. You will hear God's voice and you will certainly follow. And the Lord will lead you and He will guide you.

So don't be afraid and don't be shaken up by the things that are happening in this natural world. Be secure in your Savior. Be secure in the truth that you know. And as you desire more, you will run and you will grow. You will step forward in new spheres, where you have not been before. And first they are unknown, but then they become sure because it is by the Spirit. It has been the Holy Spirit training you all along. It is the same heavenly Father that you are holding on, that is guiding you and that has provided for you unto this very day. So be happy, be happy and rejoice in the Lord!
