### **Territory Enlargement**

Callings come forth, callings come forth. Wake up. Arise out of the darkness. Arise the light has come. For the time is now to take territory like never before, to take in the harvest with supernatural gifts and callings, with supernatural miracles, signs and wonders on the streets.

Yes I will do it, says the Lord. Yes, I have not changed My mind. If you ask Me, I shall give you and I shall give you the city, if you ask Me. Just go, I will be with you. So be not afraid, be not dismayed, for I the Lord am with you wherever you go. Where you put your foot, My Spirit will be with you. When you speak, I will give you the words. Go in this thy strength.

For I am ending the hiddenness over you. I have called you to be light and light cannot be hidden, like a city on a hill, so shall you be seen.
