

### **You on the Inside**

Be not surprised with all the change, that you will see in the midst of you. Be not surprised with all the change, that I will do.

Because before the change outside is visible, I am changing and I am changing you. So that you are well equipped and ready for everything that is at hand, because I do love my children and I always have the upper hand.

In My wisdom, in My foresight, I prepared you for this place. So that you could hear and see and walk in your liberty. Because liberty is yours, I say.

No matter what other people see, you will see the goodness of your Lord. You will see your liberty.

So don't be afraid, for the change that I do in your midst. Some will be shocked and some will even flee. But you, you walk closely and you walk with me.

With Me you will have peace and with Me you will have strength. And with Me, you see the expected end. Didn't I tell you, that I will give you a future and a hope. A way out and a way in - to see what is expected, to see the living hope. I spoke to you and it is still so.

So again rejoice, rejoice and become overflowing with joy, because of what I'm doing in you. Don't take it lightly and don't take it to easy, because I do a deep work within you.

And the fruit will be glorious and My name will be glorified. And many others will see and hear, by you allowing Me to work within thee.

Others will hear and others will see. Others will hear and others will see. Your prayers for others, your desire for others will come to pass, as you allow Me to work in you.
